Welcome Message

Entering year three of the pandemic, we are most excited to invite you to participate in the 15th Asia-Pacific Vitreo-retina Society (APVRS) Congress at Taipei Nangang Exhibition Centre, from November 18 – 20, 2022.

Dedicated to advancing the frontiers of vitreo-retina in the Asia-Pacific region, the Asia-Pacific Vitreo-retina Society organizes its annual congress to provide a platform for vitreo-retinal specialists to meet and exchange expertise and to disseminate the highest standards of vitreo-retinal treatment, clinical and basic science research, education and training, and patient care in vitreo-retina. The 15th APVRS Congress is anticipated to bring together over 1,000 delegates and more than 100 top-notch speakers from all over the world to explore current knowledge in vitreo-retina.

As one of the most important vitreo-retinal meetings in the Asia-Pacific region and beyond, the APVRS annual congress will include symposiums to provide a unique opportunity for all those working in the diagnosis and treatment of vitreo-retinal diseases to keep abreast of the latest developments in this rapidly changing and expanding field. The long-due APVRS congress also allows colleagues to reconnect and network with one another face-to-face.

From bustling night markets to impressive architectural landmarks, Taipei will be the best place for enjoying the time off the congress.

We are looking forward to another very successful congress, one that showcases the latest advances in vitreo-retina in which the needs of the industry as well as delegates are fully met. We cordially invite companies to actively participate in this prestigious congress, which will be an excellent occasion for promoting key business interests.
