2. Preparing Your E-Poster

All posters should be a visual presentation of your submitted abstract.

- **Format:** Please convert a poster into a **PDF** file from the sample e-poster pptx file.
- **Financial Disclosures:** Financial interest(s), if any, **MUST** be disclosed and included in the poster. Presentations made at the Congress must not be used to promote a commercial product.
- **Design:** **It is mandatory to insert our congress banner on top of the e-poster.** Font size is specified in the sample e-poster. Choose Arial or another font that can be read clearly at a distance. Put light-colored fonts on dark backgrounds and dark fonts on light-colored backgrounds so that viewers can see the text clearly. Remember, overcrowding a poster slide makes it difficult to read. Help your readers by providing clear labels or headings for each section of your presentation.
- **References:** Please include **eight pertinent references at most.**

- **Tables** should be simple and easy to follow. Minimum font size for data in tables is 10 point. All graphs and tables must be embedded in your file. The **legend** of a figure should appear below the figure.
- **Do not** insert or embed any videos in your presentation.
- Please ensure that you have **permission to use any images** you include in the e-poster. This includes a license for copyrighted materials and consent forms from patients who are recognizable in photographs or images.

E-Poster Audio Presentation

The presenters can prepare an audio recording (maximum length: 3 minutes) to accompany their poster presentation. The recording should be uploaded to the APVRS Congress system at <http://congress.apvrs.org/> by **October 28, 2022 (Friday, GMT+8)** using APVRS Congress login details.

A **QR code**, which will be displayed on each poster, can be downloaded from the Congress system. After you have uploaded the audio annotation to the congress system, you may download the QR code and insert it into your e-poster file. When the QR code is scanned, viewers will be directed to a link where they can hear the recording prepared by the poster presenter.
