

**APVRS 2022 Taipei – Guidelines for Delegates on Session Day**

The Congress Committee appreciates your support in the upcoming 15<sup>th</sup> APVRS Congress. This document has been prepared to assist you in attending the Congress successfully on November 18 – 20, 2022.

- 1. Registration ..... 2
- 2. Preparation Before the Congress ..... 3
- 3. Overall Session Operation..... 3
- 4. Attend Your Session Online ..... 4
- 5. Stay Tuned to the Latest Congress Updates ..... 6

## **1. Registration**

All delegates should have already registered for the congress this year. A registration confirmation email, including login credentials, has been sent directly to your inbox. If you have any difficulties retrieving the confirmation email, please email [nancyng@apvrs.org](mailto:nancyng@apvrs.org) for assistance.

### **In-Person Participation**

The APVRS 2022 Congress registration desk is located on the 7/F of Taipei Nangang Exhibition Center Hall 2 (TAINEX2) and will operate during the following hours:

<b>Date</b>	<b>Time</b>
November 18, 2022	07:30 – 18:30
November 19, 2022	07:30 – 18:30
November 20, 2022	07:30 – 13:45

On arrival at the Congress, collect your badge and other materials at the registration (Room F). During the opening hours noted above, staff will be available to answer your questions and provide information about the Congress, venue, and surrounds.

### **Virtual Participation**

The online registration will be closed temporarily after Nov 14, 2022 and reopened on Nov 18, 2022 (00:01am GMT+8). Accounts registered and paid after Nov 18, 2022 will take 24 hours to be activated to attend the Congress.

## **2. Preparation Before the Congress**

- a. **Navigate the APVRS 2022 Taipei Congress Website and Mobile App:** The APVRS 2022 Taipei will be conducted in a hybrid format and it is compatible with desktop and mobile devices. All real time updates can be on the congress website and mobile app. You are strongly recommended to watch our a [walk-through tutorial video](#) and navigate the virtual platforms before the Congress. To enjoy full access of our virtual platforms, be sure to login the platform with your APVRS 2022 Taipei login credentials and turn on the notifications!
- b. **Check Your Schedule:** Please check the presentation schedule online at <https://2022.apvrs.org/program-schedule/> or mobile app. All time shown is Hong Kong Time (GMT+8). You may change the time zone on our virtual platform and utilize any time zone converter online for checking the session time in your area. Please do check the schedule regularly to keep up with the latest updates.

### **Virtual Participants**

- c. **Make Sure You Have Downloaded Zoom on Your Computer or Mobile Devices:** Live broadcasted sessions at the APVRS 2022 Taipei will be operated over Zoom. Please install Zoom in advance as this is the only way for delegates to participate in live sessions.
- d. **Stable and Strong Internet Connection:** Please make sure you have a stable internet connection for joining the Congress in advance. We strongly recommend delegates LAN connection instead of Wi-Fi connection.

## **3. Overall Session Operation**

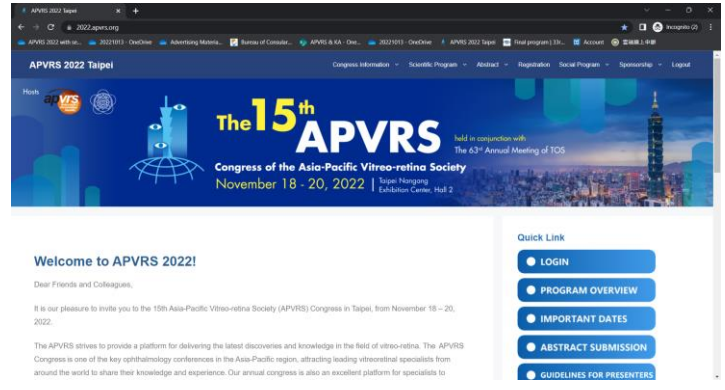

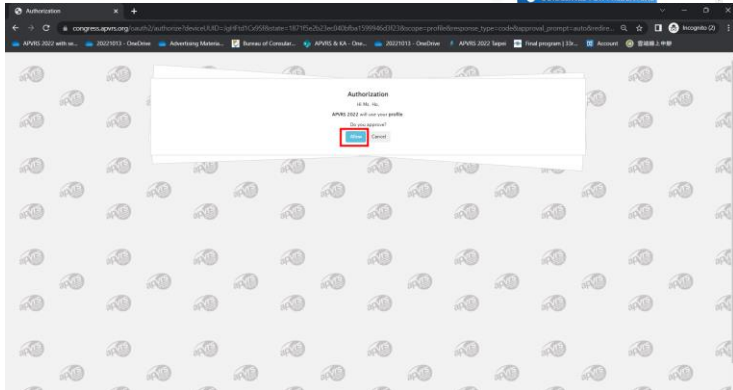

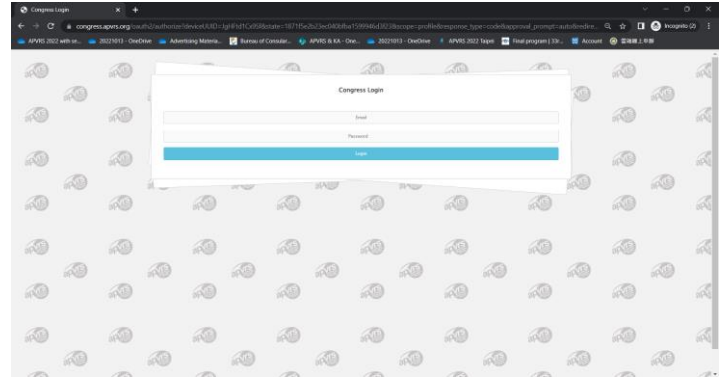

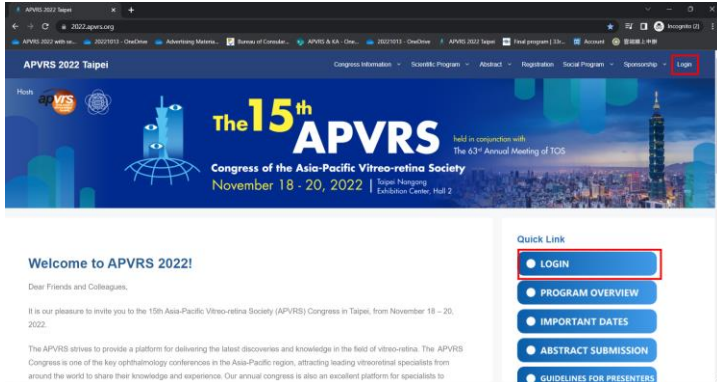

- The APVRS 2022 Taipei is a hybrid congress. Each session may be consisted of:
  - (1) Presentation (In-person and Pre-recorded/Live Dial In)
  - (2) Panel Discussion and Q&A (In-person and Live Dial in)

#### 4. Attend Your Session Online

Below are the instructions for accessing the sessions online. Should you require further assistance, please email [secretariat@apvrs.org](mailto:secretariat@apvrs.org).

**Step 1:** Login to APVRS 2022 Taipei (<https://2022.apvrs.org/>) **at least 10 - 15 min before** your session starts

**Step 2:** Click “Program Schedule” to join the session of your interest

**Pachychoroid Diseases**

Nov 18 08:30 - Nov 18 10:00 Hong Kong, China (GMT+8) Meeting Room 701C

Add to Office 365 Add to Google

The term "pachychoroid" literally means "thickened choroid". However, several choroidal changes other than increased choroidal thickness are believed to play an important pathogenic role in the development of the clinical manifestations included in the spectrum of pachychoroid disease. These diseases are particularly important f...

Ophthalmic Epidemiology

**Ophthalmology Post the Pandemic** Invited

Date & Time: Nov 20 10:30 - Nov 20 12:00 Hong Kong, China (GMT+8) Venue: Meeting Room 701B

Attend Meeting

Add to Office 365 Add to Google

We will look at ophthalmology with the pandemic fresh in our consciousness. We will consider the disruptions we faced and changes we had to make and may continue to have to make. We explore artificial intelligence and telemedicine as potential mitigators. We recognize the continuing progress of science and new treatments ready for application. During our panel and audience discussion, we will consider the future practices of ophthalmology even as we learn to live with the pandemic.

Session Code: 0126

Session Type: Symposium

Chairs: Yo-Chen Chang, Judy Kim, Doric Wong

**15th APVRS** Congress of the Asia-Pacific Vitreo-retina Society
